The appointment of a temporary additional clerk in the Taluk office, Coondapur appears to have been sanctioned in G.O. Nos. 398 Rev., dated 1-3-1930 communicated with B.P.No. Mis. 734 dated 6-3-1930 and since then, the retention of the post was being sanctioned every year and the last sanction for retention of the additional post till 31-3-1947 was accorded in G.O. No. Ms. 1574 Rev., dated 22nd July 1946. The Tahsildar, Coondapur requests that the post may be converted into a permanent one.

2. In this office Ref. C.No. 1907-46 A.1 dated 1-3-46 Board was requested to address Govt. for the permanent retention of the temporary clerk in view of the inadequacy of the existing permanent staff of the taluk office Coondapur to cope with the increased volume of work in that office. In its reference cited above, the Board called for detailed statistics regarding the state of work in the office from the year when the post was first sanctioned, but the Tahsildar Coondapur reports that these statistics are not available as the business statements containing those statistics prior to 1943 have been destroyed. He has however furnished the number of current papers received each year which has been compiled from the distribution registers in his office. These the figures are given below:

Year	No.	Year	No.	Year	No.
30	6134	1935	6532	1940	9345
31	4860	1936	8891	1941	10388
32	6245	1937	6887	1942	9747
33	6491	1938	6017	1943	8508
34	6432	1939	7518	1944	7465
				1945	7980

3. These statistics will show that there has not been any decrease in the number of receipts since 1930 but on the other hand, there has been an increase except in 1943. The permanent staff of this office is short by two clerks when compared with the strength of the taluk office, Karkal and by 4 clerks when compared with the strength of the taluk office, Udipi. The Tahsildar reports that the existing clerical staff is quite inadequate to cope with the work. In view of the fact that the post of the additional temporary clerk has been in existence now for over 15 years and there is no probability of a decrease in the work of the taluk

office, I request that the Government may be addressed for sanction to convert the post into a permanent one.

I enclose a copy of the Tahsildar's report in reply to the Board' reference cited above.

Copy of letter No.L.Dis. 8543-46 dated 20-9-46 from the Tahsildar, Coondapur to the Collector of S.Kanara, Mangalore.

Establishment- Taluk office Coondapur- Tempy. clerk- Proposal for permanent retention- Report submitted.

Your Ref. C.No. 7639-46 A.1 dated 13-9-46.

The figure 5617 appears to have been taken from the half yearly business returns of the year 1943 which have already been destroyed. Of course a lot of papers relating to the same subject were filed and the files closed after a pretty long time instead of taking a current number for each reference and closing it while submitting the report called for in that reference. Such a procedure is often followed when on a certain subject is expected to prolong for a considerable length of period. The total number of references for which distribution register numbers assigned including reply numbers for 1943 is found to be 8508.

2. In view of the fact that the lower division clerk's post in the taluk office, Coondapur sanctioned originally in G.O. No. 398 Rev., d/ 1-3-30 has been in existence continuous for more than 15 years and in view of the increase in work as revealed by the statistics the Board recommends the permanent retention of the post.
